It is my privilege to recommend Dylan Akers for employment at your company. I have had the privilege of knowing Dylan Akers for over two years in his role as an Academic Support Tutor and Educational Assistant at Fairfield High School. Dylan has many qualities that qualify him as an excellent candidate for your company. During his time at Fairfield City School District, Dylan has been a constant voice and advocate for all students. He has developed relationships with students that prove to be professional, positive and caring. Dylan has shown he can be trusted and rises up to any role that is given to him. He always goes above and beyond.

In my experience with Dylan, he has proven to be a great asset to our school. He is more than a tutor/Educational Assistant to many but a role model to many of our students. He goes above and beyond his job description to ensure the needs of our students are met, which are not limited to just academically. He has high expectations for all students and all students rise to that expectation because he has developed relationships with them that are rooted in care, love, compassion. Dylan exemplifies what an ideal tutor/Educational Assistant should be for our students: a cheerleader and someone who brings their best today, but wants to be better tomorrow. This is shown by his interest to continue growing as an individual. Although Dylan has worked in education, he has many skills that would transfer to your company such as: organization, problem solving, critical thinking, bringing new ideas, relationship building, networking and so much more. Dylan often brings ideas and solutions to the table.

Dylan is an incredible leader. Dylan is compassionate, respectful, considerate and kind towards anyone that he comes in contact with. I have observed Dylan create a positive change in the lives of others as a result of working directly with our community at Fairfield. This shows his kind spirit and desire to not only have a positive impact in the lives of others but also learn from others. Dylan has ventured into many things and has proven to be successful in them as a result of his willingness to take risks. He is driven, committed, confident and a problem solver. It is without hesitation that I can say that Dylan possesses many qualities that would prove him to be a valuable asset to your company.

Because of his determination to grow as a learner and a productive and caring professional, it is with absolute confidence that I recommend Dylan Akers for employment at your workplace. Please feel free to call me at 513-942-2999 Ext. 2528 with any further questions you may have.

Sincerely,

Ricardo Calles
Assistant Principal
